

Girls Can Camp Inventory

Campers Name _____

Use this list to check the number of articles as you pack them, then attach to the inside cover of your daughters suitcase so that it can be checked when she packs to return home. Remember, you are packing for a five (5) day camping session! Mark each item with camper's name, using indelible ink.

Medication/Prescriptions

Use enclosed Medication List to list any medication your daughter takes regularly, include directions. **This is a must! Need enough for five (5) full days. Bring all necessary equipment for special treatments.**

If your daughter uses a wheelchair, attach a bag to the back of it to enable her to carry things she will need during the day. It must also have a permanently installed seat belt.

If your daughter has a tendency to wet her bed or clothing send extra items.

If your daughter wants to bring a snack to share on slumber party night, please bring it in a resealable plastic container.

*Send these items if your daughter regularly uses them.

**Bring 2 cups if your daughter takes medication.
