The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a SNAP, Temporary Assistance (TA) Program case number for your household or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. These verification efforts may be carried out through program reviews and investigations, and may include contacting employers to determine income, contacting a SNAP or welfare office to determine current certification for receipt of SNAP or Temporary Assistance benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by the household member to provide the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.
